Story #1 :	Admin user log in
As a	Admin user
I want to be able to	Log into Bookeroo
So I can	Access admin level functionality

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username and password correctly in the respective fields
	    And I left click the log in button
	    Then the system will sign me in
	    And open the admin dashboard page
	
	Criterion 2:
	    Given that I am an admin user
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username and password correctly in the respective fields
	    And I press enter on my keyboard
	    Then the system will sign me in
	    And open the admin dashboard page

	Criterion 3:
	    Given that I am an admin user
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username incorrectly and password correctly
	    Then some error text should appear
	    And inform me of my incorrect credentials
	
	Criterion 4:
	    Given that I am an admin user
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username correctly and password incorrectly
	    Then some error text should appear
	    And inform me of my incorrect credentials

Test Case #1.1.1	**Browser:** Mozilla Firefox 91.0.2 (Windows)
	Date/Time: 30/08/21 16:20
	Tester: Thomas Dib
	Actual Result: The user is taken to the home page/dashboard where they can view books
	Bug Found: -
Test Case	**Browser:** Google Chrome 92.0.4515.159 (Windows)
	Date/Time: 31/08/21 15:55
	Tester: Sefanur Erciyas

Test Case	Field	Value
#1.1.2	Actual Result:	The user is taken to the home page/dashboard where they can view books
	Bug Found:	-
Test Case #1.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 16:24
	Tester:	Thomas Dib
	Actual Result:	The user is taken to the home page/dashboard where they can view books
	Bug Found:	-
Test Case #1.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 16:27
	Tester:	Sefanur Erciyas
	Actual Result:	The user is taken to the home page/dashboard where they can view books
	Bug Found:	-
#1.3.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:18
	Tester:	Thomas Dib
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
#1.3.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:11
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-
#1.3.3	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	1/09/21 17:18
	Tester:	Thomas Dib
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-
#1.4.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 16:20
	Tester:	Thomas Dib
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
#1.4.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:12
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-

Story #2 :	Shop owner log in
As a	Shop owner
I want to be able to	Log into Bookeroo
So I can	Access shop owner level site functionality

Acceptance Criteria	Criterion 1:
	    Given that I am a verified shop owner
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username and password correctly in the respective fields
	    And I left click the log in button
	    Then the system will sign me in
	    And redirect me to the shop owner dashboard page
	
	Criterion 2:
	    Given that I am a verified shop owner
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username and password correctly in the respective fields
	    And I press enter on my keyboard
	    Then the system will sign me in
	    And redirect me to the shop owner dashboard page
	
	Criterion 3:
	    Given that I am a verified shop owner
	    And I am logged out
	    And I am on the log in page
	    When I fill in either my username incorrectly or password correctly

	Then the system will inform me of my incorrect credentials
	
	Criterion 4:
	    Given that I am a verified shop owner
	    And I am logged out
	    And I am on the log in page
	    When I fill in either username correctly and password incorrectly
	    Then the system will inform me of my incorrect credentials
	
	Criterion 5:
	    Given that I am an unverified shop owner
	    And I am logged out
	    And I am on the log in page
	    When I fill in either username correctly or password correctly
	    Then the system will inform me saying my username or password is incorrect	

Test Case #2.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:30
	Tester:	Thomas Dib
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:15
	Tester:	Sefanur Erciyas

#2.1.2	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case #2.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:32
	Tester:	Thomas Dib
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case #2.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:17
	Tester:	Sefanur Erciyas
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case #2.3.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:33
	Tester:	Thomas Dib
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
Test Case #2.3.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:14
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-

Test Case #2.4.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:34
	Tester:	Thomas Dib
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
Test Case #2.4.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:15
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-
Test Case #2.5.1	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:25
	Tester:	Sefanur Erciyas
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
Test Case #2.5.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:16
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-

Story #3 :	Customer log in
As a	Customer
I want to be able to	Log into Bookeroo
So I can	Access customer site functionality

Acceptance Criteria	Criterion 1:
	    Given that I am a customer user
	    And I am logged out
	    And I am on the log in page
	    When I fill in my username and password correctly in the respective fields
	    And I left click the log in button
	    Then the system will sign me in
	    And redirect me to the customer user dashboard page
	
	Criterion 2:
	    Given that I am a customer user
	    And I am logged out
	    And I am on the log in page
	    And I have an internet connection
	    When I fill in my username and password correctly in the respective fields
	    And I press enter on my keyboard
	    Then the system will sign me in
	    And redirect me to the customer user dashboard page

	Criterion 3:
	    Given that I am a customer user
	    And I am logged out
	    And I am on the log in page
	    When I fill in either my username incorrectly and password correctly
	    Then the system will inform me of my incorrect credentials
	
	Criterion 4:
	    Given that I am a customer user
	    And I am logged out
	    And I am on the log in page
	    When I fill in either my username correctly and password incorrectly
	    Then the system will inform me of my incorrect credentials	

Test Case #3.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:34
	Tester:	Thomas Dib
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case #3.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:19
	Tester:	Sefanur Erciyas
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-

Test Case #3.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:35
	Tester:	Thomas Dib
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case #3.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:21
	Tester:	Sefanur Erciyas
	Actual Result:	The user is logged in and can see their dashboard
	Bug Found:	-
Test Case #3.3.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:35
	Tester:	Thomas Dib
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
Test Case #3.3.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:17
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-
	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:36

Test Case #3.4.1	Tester:	Thomas Dib
	Actual Result:	The system informs me of the error using "Request failed with status code 403"
	Bug Found:	The error message is not user friendly
Test Case #3.4.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 20:17
	Tester:	Sefanur Erciyas
	Actual Result:	Error message appears and says "Incorrect username or password"
	Bug Found:	-

Story #4 :	Admin user log out
As a	Admin user
I want to be able to	Log out of Bookeroo
So I can	Ensure no one accesses my account

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am logged in
	    And I am on the admin dashboard page
	    When I left click my profile image in the navigation bar
	    And I left click the log out button
	    Then I will be redirected to the log in page
	
	Criterion 2:
	    Given that I am an admin user
	    And I am logged in
	    And I am on the admin dashboard page
	    When I select my profile image using tab and enter
	    And I select the log out button using tab and enter
	    Then I will be redirected to the log in page
	
	Criterion 3:
	    Given that I am an admin user
	    And I am logged in
	    And I am on the manage users page
	    When I left click my profile image in the navigation bar
	    And I left click the log out button
	    Then I will be redirected to the log in page

Test Case #4.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:35
	Tester:	Thomas Dib
	Actual Result:	The user is logged out and redirected to the log in page
	Bug Found:	-
Test Case #4.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:27
	Tester:	Sefanur Erciyas
	Actual Result:	The user is logged out and redirected to the log in page
	Bug Found:	-
Test Case #4.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:38
	Tester:	Thomas Dib
	Actual Result:	The user is able to log out using tabbing
	Bug Found:	-
Test Case #4.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:28
	Tester:	Sefanur Erciyas
	Actual Result:	The user is able to log out using tabbing and is redirected to the log in page
	Bug Found:	-

Story #5 :	Shop owner log out
As a	Shop owner
I want to be able to	Log out of Bookeroo
So I can	Ensure no one accesses my account

Acceptance Criteria	Criterion 1:
	    Given that I am a shop owner
	    And I am logged in
	    And I am on the dashboard page
	    When I left click my profile image in the navigation bar
	    And I left click the log out button
	    Then I will be redirected to the log out page
	
	Criterion 2:
	    Given that I am a shop owner
	    And I am logged in
	    And I am on the dashboard page
	    When I select my profile image using tab and enter
	    And I select the log out button using tab and enter
	    Then I will be redirected to the log in page

Test Case #5.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:35
	Tester:	Thomas Dib
	Actual Result:	The user is logged out and redirected to the log in page
	Bug Found:	-
Test Case #5.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:30
	Tester:	Sefanur Erciyas
	Actual Result:	The user is logged out and redirected to the log in page
	Bug Found:	-
Test Case #5.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:38
	Tester:	Thomas Dib
	Actual Result:	The user is able to log out using tabbing
	Bug Found:	-
Test Case #5.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:32
	Tester:	Sefanur Erciyas
	Actual Result:	The user is able to log out using tabbing and is redirected to the log in page
	Bug Found:	-

Story #6 :	Customer log out
As a	Customer
I want to be able to	Log out of Bookeroo
So I can	Ensure no one accesses my account
Acceptance Criteria	Criterion 1: 　　Given that I am a customer 　　And I am logged in 　　And I am on the home page 　　When I left click my profile image in the navigation bar 　　And I left click the log out button 　　Then I will be redirected to the log in page Criterion 2: 　　Given that I am a customer 　　And I am logged in 　　And I am on the hope page 　　When I select my profile image using tab and enter 　　And I select the log out button using tab and enter 　　Then I will be redirected to the log in page

	Browser:	Mozilla Firefox 91.0.2 (Windows)
Test Case #6.1.1	Date/Time:	30/08/21 17:35
	Tester:	Thomas Dib
	Actual Result:	The user is logged out and redirected to the log in page
	Bug Found:	-
Test Case #6.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:33
	Tester:	Sefanur Erciyas
	Actual Result:	The user is logged out and redirected to the log in page
	Bug Found:	-
Test Case #6.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:38
	Tester:	Thomas Dib
	Actual Result:	The user is able to log out using tabbing
	Bug Found:	-
Test Case #6.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:35
	Tester:	Sefanur Erciyas
	Actual Result:	The user is able to log out using tabbing and is redirected to the log in page
	Bug Found:	-

Story #7 :	Unregistered user sign up as customer
As a	Unregistered user
I want to be able to	Sign up for a customer account
So I can	Log into the application as a customer

Acceptance Criteria	Criterion 1:
	    Given that I am an unregistered user
	    And I am on the registration page
	    When I fill in all compulsory fields
	    And I left click the register button
	    Then I will be redirected to the log in page
	
	Criterion 2:
	    Given that I am an unregistered user
	    And I am on the registration page
	    When I fill in some of the compulsory fields
	    And I click register
	    Then the system will inform me to fill in the missing fields
	
	Criterion 3:
	    Given that I am an unregistered user
	    And I am on the registration page
	    When I fill in the username field with one that already exists
	    And I fill in the rest of the compulsory fields
	    And I click register
	    Then the system will inform me that username is already in use

	Criterion 4:
	    Given that I am an unregistered user
	    And I am on the registration page
	    When I fill in all compulsory fields using only the keyboard (tab)
	    And I select the register button
	    And I press enter
	    Then I will be redirected to the log in page	

Test Case #7.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:45
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-
Test Case #7.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:38
	Tester:	Sefanur Erciyas
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-
Test Case #7.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:48
	Tester:	Thomas Dib
	Actual Result:	The user is informed of which fields are required
	Bug Found:	-
	Browser:	Google Chrome 92.0.4515.159 (Windows)

Test Case #7.2.2	Date/Time:	31/08/21 18:39
	Tester:	Sefanur Erciyas
	Actual Result:	The user is informed of which fields are required
	Bug Found:	-
Test Case #7.3.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:47
	Tester:	Thomas Dib
	Actual Result:	The user is given an error that states "Request failed with status code 409"
	Bug Found:	The error message is not user friendly and should be changed to accommodate for this
Test Case #7.4.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:48
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-
Test Case #7.4.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:40
	Tester:	Sefanur Erciyas
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-

Story #8 :	Unregistered shop owner apply for shop owner account
As a	Unregistered shop owner
I want to be able to	Apply for a shop owner account
So I can	Be verified and log in as a shop owner

Acceptance Criteria	Criterion 1:
	    Given that I am an unregistered shop owner
	    And I am on the registration page
	    When I fill in all compulsory fields
	    And I left click the register button
	    Then I will be redirected to the log in page
	
	Criterion 2:
	    Given that I am an unregistered shop owner
	    And I am on the registration page
	    When I fill in some of the compulsory fields
	    And I click register
	    Then the system will inform me to fill in all fields
	
	Criterion 3:
	    Given that I am an unregistered show owner
	    And I am on the registration page
	    When I fill in all necessary fields using only the keyboard (tab)
	    And I select the register button
	    And I press enter
	    Then I will be redirected to the log in page

Test Case #8.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:52
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-
Test Case #8.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:41
	Tester:	Sefanur Erciyas
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-
Test Case #8.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:52
	Tester:	Thomas Dib
	Actual Result:	The user is given an error that states "Request failed with status code 409"
	Bug Found:	The error message is not user friendly and should be changed to accommodate for this
Test Case #8.3.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 17:53
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the log in page
	Bug Found:	-

Test Case #8.3.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:42
	Tester:	Sefanur Erciyas
	Actual Result:	The user is informed of which fields are required
	Bug Found:	-

Story #9 :	Admin user approve shop owner accounts
As a	Admin user
I want to be able to	Approve shop owner account creation requests
So I can	Allow them to log into Bookeroo

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am on the manage users page
	    When I look under the "account approvals" section
	    And I click the approve button next to a user
	    Then that user will be removed from that section
	
	Criterion 2:
	    Given that I am an admin user
	    And I am on the manage users page
	    When I look under the "account approvals" section
	    And I click the approve button next to a user
	    And the request doesn't go through
	    Then an error message is displayed
	    And that user will stay in the section

Story #10 :	Admin user edit existing accounts
As a	Admin user
I want to be able to	Edit existing accounts
So I can	Ensure account details are up to date

Acceptance Criteria	Criterion 1:
	        Given that I am an admin user
	        And I am on the manage users page
	        When I click the "edit account" button under a
	        specific user
	        Then I will be redirected to an edit page
	        And I will be able to edit necessary details

Story #11 :	Admin user suspend existing accounts
As a	Admin user
I want to be able to	Suspend existing accounts
So I can	Appropriately moderate the site

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am on the manage users page
	    When I click on the "suspend account" button under a specific user
	    Then that account should be temporarily suspended from the site
	    And they should not be able to log in

Story #12 :	Admin user decline shop owner accounts
As a	Admin user
I want to be able to	Decline shop owner account creation requests
So I can	Allow them to log into Bookeroo

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am on the manage users page
	    When I look under the "account approvals" section
	    And I click the decline button next to a user
	    Then that user will be removed from that section
	
	Criterion 2:
	    Given that I am an admin user
	    And I am on the manage users page
	    When I look under the "account approvals" section
	    And I click the decline button next to a user
	    And the request doesn't go through
	    Then an error message is displayed
	    And that user will stay in the section

Story #13 :	Admin user view summary of all transactions
As a	Admin user
I want to be able to	View a summary of all transactions on the site sorted by date
So I can	Verify details of purchases that have been made
Acceptance Criteria	Criterion 1: Given that I am an admin user And I am logged in And I am on the admin dashboard page When I click on the "transactions" button Then I will be redirected to the transactions page And I will be able to see all transactions that have previously occurred (sorted by date) Criterion 2: Given that I am an admin user And I am logged in And I am on the admin dashboard page And there have been no transactions on the site When I click on the "transactions" button Then I will be redirected to the transactions page And the system will inform me that there is no information to display Criterion 3: Given that I am a customer And I am logged in And I am on the home page When I put in the URL for the admin dashboard page Then I will be redirected to the home page

Story #14 :	Admin user unsuspend existing accounts
As a	Admin user
I want to be able to	Unsuspend existing accounts
So I can	Appropriately moderate the site

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am on the manage users page
	    When I click on the "unsuspend account" button under a specific user
	    Then that account should be unsuspended from the site
	    And they should not be able to log in

Story #15 :	Customer search for books by their title
As a	Customer
I want to be able to	Search for books by their title
So I can	Easily find books listed on the site

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am logged in
	    And I am on the dashboard page
	    When I left click into the search bar
	    And type a book title
	    And press enter
	    Then the displayed books will filter according to what I typed
	
	Criterion 2:
	    Given that I am a customer
	    And I am logged in
	    And I am on the dashboard page
	    When I left click into the search bar
	    And type a book title
	    And press enter
	    And no books match the given title
	    Then no books will be showing
	    And the system should inform me that there were no matches

	Criterion 3:
	    Given that I am a customer
	    And I am logged in
	    And I am on the dashboard page
	    When I left click into the search bar
	    And type a book title
	    And wait a moment
	    Then the displayed books will filter according to what I typed	

Test Case #15.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	02/09/21 12:56
	Tester:	Thomas Dib
	Actual Result:	Only the books that match the text typed in the search show on the page
	Bug Found:	-
Test Case #15.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	02/09/21 14:48
	Tester:	Sefanur Erciyas
	Actual Result:	After a moment of loading, the page displayed the matching books
	Bug Found:	-
Test Case #15.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	02/09/21 12:57
	Tester:	Thomas Dib
	Actual Result:	Some text shows up displaying "no books"
	Bug Found:	-

Test Case #15.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	02/09/21 14:49
	Tester:	Sefanur Erciyas
	Actual Result:	After a moment of loading, the page displayed a message saying "No Books"
	Bug Found:	-
Test Case #15.3.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	02/09/21 13:00
	Tester:	Thomas Dib
	Actual Result:	After a moment the filtered books will show to the user
	Bug Found:	-
Test Case #15.3.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	02/09/21 14:50
	Tester:	Sefanur Erciyas
	Actual Result:	After a moment of loading, the page displayed the matching books
	Bug Found:	-

Story #16 :	Customer search for books by their author
As a	Customer
I want to be able to	Search for book by their author
So I can	Find all books written by a specific author

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am logged in
	    And I am on the dashboard page
	    When I left click into the search bar
	    And type an author's name
	    And press enter
	    Then the displayed books will filter according to what I typed
	
	Criterion 2:
	    Given that I am a customer
	    And I am logged in
	    And I am on the dashboard page
	    When I left click into the search bar
	    And type an author's name
	    And press enter
	    And no books on the site match the given author
	    Then no books will be showing
	    And the system should inform me that there were no matches

	Criterion 3:
	    Given that I am a customer
	    And I am logged in
	    And I am on the dashboard page
	    When I left click into the search bar
	    And type an author's name
	    And wait a moment
	    Then the displayed books will filter according to what I typed	

Test Case #16.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)

	Tester:	Sefanur Erciyas
	Actual Result:	After a moment of loading, the page displayed the matching book
	Bug Found:	-

Story #18 :	Customer search for book by their category
As a	Customer
I want to be able to	Search for books by their category
So I can	Find new titles of genres I know I enjoy
Acceptance Criteria	Criterion 1: Given that I am a customer And I am logged in And I am on the dashboard page When I left click the category drop down box And select a category Then only books with that category will be shown Criterion 2: Given that I am a customer And I am logged in And I am on the dashboard page And I have already searched a partial search When I left click the category drop down box And select a category Then books that match the partial title and selected category will be displayed

Test Case #18.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	05/09/21 13:14
	Tester:	Thomas Dib
	Actual Result:	Only the books matching the given category are listed on the page
	Bug Found:	-
Test Case #18.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	05/09/21 11:17
	Tester:	Sefanur Erciyas
	Actual Result:	After loading, all books part of the selected category are displayed
	Bug Found:	-
Test Case #18.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	05/09/21 13:18
	Tester:	Thomas Dib
	Actual Result:	Only books matching the typed title and the selected category are shown
	Bug Found:	-
Test Case #18.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	05/09/21 11:19
	Tester:	Sefanur Erciyas
	Actual Result:	After loading, all books that match the partial search and are part of the selected category are displayed
	Bug Found:	-

Story #19 :	Customer leave book review
As a	Customer
I want to be able to	Leave a review on a specific book that has been posted to Bookeroo
So I can	Help other users know if the book is worthy of purchase

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have acquired a book from the site
	    And I am on the my orders page
	    When I left click the review button on a book I have received
	    Then I will be redirected to a review page
	    And I can type my opinion of the book
	    And post it for other users to see
	
	Criterion 2:
	    Given that I am a customer
	    And I have not yet acquired a book from the site
	    And I am on the my orders page
	    When I look at a book I have ordered but not received
	    Then I will not see a review button

Story #20 :	Customer view book listings
As a	Customer
I want to be able to	View for sale listings for a book I am interested in
So I can	Compare prices between listings

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am on the page of a book I would like to purchase
	    When I scroll past the general book information
	    Then I will see information relating to vendors selling that book
	
	Criterion 2:
	    Given that I am a customer
	    And I am on the page of a book I would like to purchase
	    And there are no listings of the book
	    When I scroll past the general book information
	    Then I will not see any listings of that book
	    And the system will inform me of this
	
	Criterion 3:
	    Given that I am a customer
	    And I am on the page of a book I would like to purchase
	    When I click on a vendor's name
	    Then I will be redirected to the listing's page
	    And I will see information relating to the listing

Test Case #20.1.1	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	16/09/21 20:43
	Tester:	Sefanur Erciyas
	Actual Result:	Information relating to the vendors selling the book were displayed
	Bug Found:	-
Test Case #20.1.2	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	17/09/21 0:20
	Tester:	Thomas Dib
	Actual Result:	The page displays the name, rating, price, and image of a listing of a given vendor
	Bug Found:	-

	Tester:	Sefanur Erciyas
	Actual Result:	In the section where listings are meant to displayed there is text saying "No current sellers"
	Bug Found:	-
Test Case #20.2.2	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	17/09/21 0:21
	Tester:	Thomas Dib
	Actual Result:	The system lists that there are no current sellers
	Bug Found:	-

Test Case #20.3.1	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	16/09/21 20:44
	Tester:	Sefanur Erciyas
	Actual Result:	Got redirected to the listing's page where listing information was displayed
	Bug Found:	-
Test Case #20.3.2	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	17/09/21 0:22
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the listing page
	Bug Found:	-

Story #21 :	Customer purchase a book via Paypal
As a	Customer
I want to be able to	Complete a purchase of a book via PayPal
So I can	Ensure my payment was done securely

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am checking out a book(s) I would like to purchase
	    When I click the buy button
	    Then a PayPal window should open on my screen
	    And prompt me to log in via PayPal

Story #22 :	Customer cancel an order (up to 2 hours after placing the order)
As a	Customer
I want to be able to	Cancel an order up to 2 hours after I place the order
So I can	Change my mind on purchases I make

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have recently ordered a book (< 2 hours ago)
	    And I am on the my orders page
	    When I click the "cancel order" button
	    Then a confirmation window will appear
	    And clicking yes will cancel my order
	
	Criterion 2:
	    Given that I am a customer
	    And I have not recently ordered a book (> 2 hours ago)
	    And I am on the my orders page
	    When I look at the given order
	    Then there will not be a "cancel order" button
	    And I will not be able to cancel it

Story #23 :	Customer create a swap listing
As a	Customer
I want to be able to	Create a swap listing for a book that I own
So I can	Trade with others

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have possession of a book listed on the Bookeroo site
	    When I left click the sell a book button
	    And insert the ISBN of a book that is already on the site
	    And left click the next button
	    Then I am redirected to a page asking for more information
	
	Criterion 2:
	    Given that I am a customer
	    And I have possession of a book listed on the Bookeroo site
	    When I left click the sell a book button
	    And leave the ISBN field blank
	    And left click the next button
	    Then text saying "ISBN is required" is displayed

Test Case #23.1.1	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	18/09/21 20:05
	Tester:	Sefanur Erciyas
	Actual Result:	Redirected to the page asking for more details on the listing
	Bug Found:	-
Test Case #23.2.1	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	18/09/21 20:06
	Tester:	Sefanur Erciyas
	Actual Result:	Text saying "ISBN is required" appears above the next button
	Bug Found:	-

Story #24 :	Customer view purchase history
As a	Customer
I want to be able to	View a history of my transactions
So I can	Keep track of what I have bought

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have previously executed book swaps via Bookeroo
	    And I am on the dashboard page
	    When I click on the my orders button
	    Then the site will redirect me to see my previous orders and swaps
	
	Criterion 2:
	    Given that I am a customer
	    And I have never used Bookeroo to purchase or swap a book
	    When I click on the my orders button
	    Then the site will redirect me to the my orders page
	    And it should inform me that there is nothing to show

Story #25 :	Shop owner view sell history
As a	Shop owner
I want to be able to	View the transaction history of my shop
So I can	Track my orders and ensure they are all fulfilled

Acceptance Criteria	Criterion 1:
	    Given that I am a shop owner
	    And I am on the dashboard page
	    And I have previously sold books to customers via Bookeroo
	    When I press the "my orders" button
	    Then I will be redirected to the my orders page
	    And I will see all orders I currently have
	    And I will see all orders I have previously fulfilled
	
	Criterion 2:
	    Given that I am a shop owner
	    And I am on the dashboard page
	    And I have never sold any books via Bookeroo
	    When I press the "my orders" button
	    Then I will be redirected to the my orders page
	    And I will not see any previous listings
	    And the system will inform me that there is nothing to show

Story #26 :	Customer view details of a book
As a	Customer
I want to be able to	View more details of a book I find on Bookeroo such as cover image and synopsis
So I can	Decide if I want to purchase a book

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am on the dashboard page
	    When I left click on the card of a book
	    Then the system will redirect me to the book's page
	    And I will be able to see information relevant to the book I clicked
	
	Criterion 2:
	    Given that I am a customer
	    And I am on the dashboard page
	    When I middle click on the card of a book
	    Then the system will open a new tab of the book's page
	    And that page will contain information relevant to that book

Test Case #26.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 18:04
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the book they clicked on
	Bug Found:	-
Test Case #26.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:52
	Tester:	Sefanur Erciyas
	Actual Result:	The user is redirected to the book they clicked on
	Bug Found:	-
Test Case #26.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	30/08/21 18:06
	Tester:	Thomas Dib
	Actual Result:	A new tab is opened with the book in a new tab
	Bug Found:	-
Test Case #26.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	31/08/21 18:53
	Tester:	Sefanur Erciyas
	Actual Result:	A new tab is opened with the book in a new tab
	Bug Found:	-

Story #27 :	Admin user download a report of all current book listings on the site
As a	Admin user
I want to be able to	Download a report of all current book listings on the site
So I can	Track what books are currently in stock

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am on the reports page
	    And there is at least one book listing on the site
	    When I left click generate listing report
	    Then a .csv file containing information relating to all current listing will be downloaded to my computer
	
	Criterion 2:
	    Given that I am an admin user
	    And I am on the reports page
	    And there are no listings on the site
	    When I left click generate listing report
	    Then the system will inform me that there are no current listings
	    And no file will be downloaded

Story #28 :	Admin user download a report of all transactions within a given time period
As a	Admin user
I want to be able to	Download a report of all transactions within a given time period
So I can	Track user engagement and site popularity

Acceptance Criteria	Criterion 1:
	    Given that I am an admin user
	    And I am on the reports page
	    And there is at least one book listing on the site
	    When I left click generate listing report
	    Then a .csv file containing information relating to all current listing will be downloaded to my computer
	
	Criterion 2:
	    Given that I am an admin user
	    And I am on the reports page
	    And there are no listings on the site
	    When I left click generate listing report
	    Then the system will inform me that there are no current listings
	    And no file will be downloaded

Story #29 :	Customer view contact details of Bookeroo
As a	Customer
I want to be able to	View contact details of Bookeroo
So I can	In case I want to report issues with the site

	Tester:	Sefanur Erciyas
	Actual Result:	Redirected to the same listing page
	Bug Found:	-
Test Case #39.2.2	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	18/09/21 19:30
	Tester:	Thomas Dib
	Actual Result:	The user is redirected to the given book
	Bug Found:	-

Story #40 :	Customer leave rating for a book
As a	Customer
I want to be able to	Leave a rating for a book that is listed on Bookeroo
So I can	Provide feedback that other users can view

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have acquired a book from the site
	    And I am on the my orders page
	    When I left click the "leave rating" button on a book I have received
	    Then I will be redirected to a rating page
	    And I can provide a numerical rating
	    And my rating will be averaged with all other ratings to provide an overall book rating
	
	Criterion 2:
	    Given that I am a customer
	    And I have not yet acquired a book from the site
	    And I am on the my orders page
	    When I look at a book I have ordered but not received
	    Then I will not see a "leave rating" button

Story #41 :	Admin user add a book
As a	Admin user
I want to be able to	Add a book to Bookeroo without needing to create a listing
So I can	Allow customers to see books that may not be in stock

Acceptance Criteria	Criterion 1:
	    Given that I am an admin
	    And I am on the manage books page
	    When I click the "add a book" button
	    Then I will be redirected to a book creation page
	    And I will be able to add a book without creating a listing
	
	Criterion 2:
	    Given that I am an admin
	    And I am on the manage books page
	    When I click the "add a book" button
	    And I attempt to add a book that already exists
	    Then the system will inform me that it already exists
	    And halt in the creation of a new book

Story #42:	Admin edit an existing book
As a	Admin user
I want to be able to	Edit an existing book on Bookeroo
So I can	Ensure its details are up to date and moderated

Acceptance Criteria	Criterion 1:
	    Given that I am an admin
	    And I am on the manage books page
	    When I left click on a book
	    And then I left click the edit button
	    Then I will be redirected to an edit page
	    And I will be able to alter some information about the book
	
	Criterion 2:
	    Given that I am an admin
	    And I am editing a book
	    When I left click the "discard changes" button
	    Then all changes should be discarded
	    And I will be redirected back to the page of the given book

Story #43:	Customer leave a review for a shop owner/vendor
As a	Customer
I want to be able to	Leave a review for a specific shop owner/vendor that I have purchased a book from
So I can	Inform other users of the quality of service

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have purchased an order from a specific vendor
	    And I am on the vendor's page
	    When I left click the "leave a review" button
	    Then I will be redirected to a review page
	    And I can express my thoughts and opinions on the particular seller
	
	Criterion 2:
	    Given that I am a customer
	    And I have not purchased anything from a specific vendor
	    When I click on the vendor's page
	    Then I will not see a "leave a review" button

Story #44 :	Customer leave review on another customers profile
As a	Customer
I want to be able to	Leave a review on another customers profile
So I can	Help any other customers that may interact with this profile to be aware of the customers service history

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have executed a book swap with another customer
	    And I am on that customer's profile
	    When I click the "leave a review" button
	    Then I will be redirected to a review page
	    And I can publish it to inform other customers what this customer was like to swap with
	
	Criterion 2:
	    Given that I am a customer
	    And I have not execute a book swap with another customer
	    When I click on that customer's profile
	    Then I will not see any "leave a review" button
	
	Criterion 3:
	    Given that I am a customer
	    And I am on the review customer page
	    When I click on the "discard review" button
	    Then my review will be discarded
	    And I will be redirected back to the customer's profile

Story #45 :	Customer view current status of an order
As a	Customer
I want to be able to	View the current status of my order
So I can	Keep up to date with when I will receive my order

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I have purchased an book/order from Bookeroo
	    And I am on the dashboard page
	    When I left click the "my orders" button
	    Then I will be redirected to an orders page
	    And I will be able to see all my current and previous orders, including the shipping status of each
	
	Criterion 2:
	    Given that I am a customer
	    And I have never purchased anything from Bookeroo
	    And I am on the dashboard page
	    When I left click the "my orders" button
	    Then I will be redirected to an orders page
	    And the system will inform me that there is nothing to display

Story #46 :	Shop owner update the status of an order made to me
As a	Shop owner
I want to be able to	Update the status of an order made to me
So I can	Keep the customer up to date with their order

Acceptance Criteria	Criterion 1:
	    Given that I am a shop owner
	    And a customer has a pending order from me
	    And I am on the my orders page
	    When I change the value of the dropdown of a specific order
	    Then the status of the given order should change
	    And be reflected on the customer's end
	
	Criterion 2:
	    Given that I am a shop owner
	    And no customers have ever ordered from me
	    And I am on the dashboard page
	    When I left click the "my orders" button
	    Then I will be redirected to the my orders page
	    And the system will inform me that there is nothing to be shown

Story #47 :	Customer update the status of a swap
As a	Customer
I want to be able to	Update the status of a swap that I have made with another customer
So I can	Stay up to date with the progress of the swap

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am executing a swap with another customer
	    And I am on the my orders page
	    When I update the value of the dropdown of that particular swap
	    Then the status of that swap should be updated on the system database
	    And the other customer should see this change reflected on their end
	
	Criterion 2:
	    Given that I am a customer
	    And I have never ordered or swapped anything via Bookeroo
	    When I click the "my orders" button
	    Then I will be redirected to the my orders page
	    And the system will inform me that there is nothing to be shown

Story #48 :	Customer update the status of an order made for a used book I am selling
As a	Customer
I want to be able to	Update the status of an order made for one of the used books I am selling
So I can	Show the buyer the progress of their order

Acceptance Criteria	Criterion 1:
	    Given that I am a customer
	    And I am selling a used book
	    And I am on the my orders page
	    When I change the value of the dropdown of a specific order
	    Then the status of the given order should change
	    And be reflected on the customer's end
	
	Criterion 2:
	    Given that I am a customer
	    And no one has purchased any books from me
	    And I am on the dashboard page
	    When I left click the "my orders" button
	    Then I will be redirected to the my orders page
	    And the system will inform me that there is nothing to be shown

Story #49 :	Shop owner remove a listing
As a	Shop owner
I want to be able to	Remove a listing I have created on Bookeroo
So I can	Stop customers from purchasing it

Acceptance Criteria	Criterion 1:
	    Given that I am a shop owner
	    And I have an existing listing on Bookeroo
	    When I click the "my listings" button
	    And find the book I would like to remove
	    And click on the remove button
	    Then a confirmation window should pop up
	    And clicking yes will remove the listing from the site
	
	Criterion 2:
	    Given that I am a shop owner
	    And I have an existing listing on Bookeroo
	    When I click the "my listings" button
	    And I click into a given listing
	    And I scroll down
	    And I click "remove listing"
	    Then a confirmation window should pop up
	    And clicking yes will remove the listing from the site
	
	Criterion 3:
	    Given that I am a shop owner
	    And I have no listings on Bookeroo
	    When I click the "my listings" button
	    Then the system should inform me that there is nothing to be shown

Story #50:	Admin search for books via title
As a	Admin user
I want to be able to	Search for books by its title
So I can	Quickly find a book I want to view

Acceptance Criteria	Criterion 1:
	    Given that I am an admin
	    And I am on the manage books page
	    When I left click into the search bar
	    And type the title of a book
	    And press enter
	    And the book title I searched for exists within the system database
	    Then only books that match that title will be displayed
	
	Criterion 2:
	    Given that I am an admin
	    And I am on the manage books page
	    When I left click into the search bar
	    And type the title of a book
	    And press enter
	    And the book title I searched for does not exist within the system database
	    Then no books will be displayed
	    And the system should inform me that there were no matches

Test Case #50.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	02/09/21 13:25
	Tester:	Thomas Dib
	Actual Result:	The books matching the typed title are listed
	Bug Found:	-
Test Case #50.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
	Date/Time:	02/09/21 15:52
	Tester:	Sefanur Erciyas
	Actual Result:	After a moment of loading, the page displayed the matching books
	Bug Found:	-
Test Case #50.2.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	02/09/21 13:27
	Tester:	Thomas Dib
	Actual Result:	The system tells the user that there are "No Books"
	Bug Found:	-
Test Case #50.2.2	Browser:	Google Chrome 92.0.4515.159 (Windows)

	Bug Found:	-

Story #51 :	Admin search for books via author	
As a	Admin user	
I want to be able to	Search for books by its author	
So I can	Quickly find a book I want to edit	

Acceptance Criteria	Criterion 1:
	    Given that I am an admin
	    And I am on the manage books page
	    When I left click into the search bar
	    And type an author's name
	    And press enter
	    And a book that matches the name of the author I typed exists within the system database
	    Then only books that match that author will be displayed
	
	Criterion 2:
	    Given that I am an admin
	    And I am on the manage books page
	    When I left click into the search bar
	    And type an author's name
	    And press enter
	    And no books registered in the system match the given author
	    Then no books will be displayed
	    And the system should inform me that there were no matches	

Test Case #51.1.1	Browser:	Mozilla Firefox 91.0.2 (Windows)
	Date/Time:	02/09/21 13:27
	Tester:	Thomas Dib
	Actual Result:	The books matching the typed author are shown
	Bug Found:	-
Test Case #51.1.2	Browser:	Google Chrome 92.0.4515.159 (Windows)
